Imagine being brought up in luxurious wealth, only to find yourself first in a refugee camp and then a penniless immigrant in a country half-way around the world from where you were born! How would you cope? When Ha Tran found herself in this situation she remembered her beloved father's wise words

and used them to build a life for her family and herself. Ha tells her story of struggle and triumph in this inspiring book. She weaves her father's profound, yet simple wisdom into the true story of her escape from the Communist regime in Viet Nam, living in a refugee camp, and starting life over in the United States. You will be moved and awed by what Ha has accomplished and inspired by how she demonstrates that "Hope is living with a promise in your heart."
